Commanding Officer.

Forwarded 22nd of April, 1945

From Ulithi, C. I.

INSTRUCTIONS REGARDING MUSTER ROLL

- For additional instructions, see Articles D-4008 and D-4009, Bureau of Naval Personnel Manual, 1942.
- NAVPERS 605a, Quarterly Roll, must show the name of every enlisted man, except passengers, attached to ship, station, aviation squadron, or unit, for permanent or temporary duty, for assignment, for medical treatment, or for instruction—with or without records—at expiration of quarter; also all reservists on active duty—with or without pay.
- NAVPERS 605b, Report of Changes. This form shall be submitted by the following:
 - Commanding officers of all ships, stations, aviation squadrons, and units, whenever a ship, station, aviation squadron, or unit is commissioned or decommissioned.
 - Commanding officers of all naval vessels when sailing from one port to another, showing all changes in crew since submission of last report. These forms to be submitted whether or not any changes have occurred.
 - Commanding officers of aviation units, ship-based, whenever unit assumes a shore base status as a part of an organized squadron, to show the transfer of men from parent vessel to squadron organization, and all other changes that may have occurred since last report. Equivalent to decommissioning the unit.
 - Commanding officers of aviation squadrons when the units return to their parent vessels for the purpose of assuming ship-based status, to show transfer of men from squadron organization to the units ship-based, and all other changes that may have occurred since last report. Equivalent to decommissioning the squadron.
 - Commanding officers of all ships and stations on last day of each month, showing all changes for the month for which submitted that have not been previously reported on these forms. These forms to be submitted whether or not any changes have occurred.
 - Commanding officers of point or origin of transfer of enlisted passengers—men for transportation only—on date of sailing, to show intended destination and name of transporting vessel.
 - Commanding officers of naval vessels carrying enlisted passengers—men for transportation only—on date of sailing headed "Passengers" completed to show receipt and upon arriving at destination to show disposition. Any other changes that may have occurred in the status of enlisted passengers en route.
 - Commanding officers of point of destination at the end of the month following termination of passage on other than naval vessels, completed to show receipt of enlisted passengers from point of origin, name of transporting vessel, and further disposition. If any be removed by competent authority from a draft on other than a naval vessel prior to arriving at original destination, such competent authority will be held responsible for informing the Bureau on these forms of the vessel from which removed, of the circumstances of removal, and further disposition.
- NAVPERS 605c, Passenger List. This form to be submitted by vessel at date of sailing from one port to another, showing passengers other than enlisted personnel of the Navy taking passage on the vessel.
- NAVPERS 605d, Recapitulation Sheet. This form is to be submitted to the Bureau with the quarterly roll and with final NAVPERS 605b, when ship, station, aviation squadron or unit is placed out of commission or when aviation squadron and units assume a status equivalent to decommissioning.
- These instructions are to be followed by all ships, stations, aviation squadrons, and units. Reports must include all enlisted men and all reservists on active duty with or without pay.
- After the roll has been properly made out and certified to by the executive officer, signed by the commanding officer, it must be secured between the binder boards provided for that purpose, placed in the special envelopes, and forwarded to the Bureau.
